MOBILE ACCESSORIES

INTRODUCTION

We are a truly global, value driven, customer focused, fast growing IT firm established at Anand(Gujarat), India and now having a presence at New Jersey, & USA as "Alian Software LLC".

After successful public recognition in the domestic market, we wanted to move a step ahead and expand our business. That is when Alian Group of companies was launched, to meet the customers requirements.

This Electronic business was initiated keeping in mind the demands of mobile accessories in the current market and now the company has expanded the production, we are selling electronic products like Mobile Chargers, Data Cables, Car Chargers, Earphone, Bluetooth Speaker, Aux Cable, PCB related products and more supporting Make In India.

Our venture of Limited Liability Company (LLC) incorporate:

- Alian Software, India
- Alian Electronics Pvt Ltd
- Alian Software LLC, NJ, USA

COMPANY PROFILE

Alian is a leading group of industries that addresses the to connect people on the go with our handy and portable accessories. We pride ourselves on providing mobile accessories that are equipped with the latest technology. Our passionate tech-geeks thrive to deliver innovative technical solutions that enhance the modern lifestyle of our customers. So what are you waiting for? Grab all your needed services and products from us, at a one-stop shop today!

Electronics has made life easier but at the same time finding the right fit for your needs is not always easy. A majority of them have quality but also have service issues, and other problems. But coming to ALIAN (which is based in Gujarat, India), and currently have satisfied customers over 32+ countries in the world. We manufacture products that are high-quality, durable and guarantee safety to our customers. Being lightweight in nature, such goods would provide a great deal of comfort to all those who use them.

We welcome you to join us in this journey and witness our amazing digital revolution. Choose from more than fifteen unique product lines from our portfolio.

OUR CUSTOMERS

Our customers are at the heart of our business. Our priority is to provide them with good value products, quality service and a choice of ways to buy through a wide range of distribution channels. We're committed to ensure our employees, customers and advisers want to buy our products and services, stay with us and recommend us to their families, friends and colleagues. We treat our customers fairly and deliver high quality products and services which meet their reasonable expectations throughout the relationship with us.

OUR EMPLOYEES

Our employees are critical to deliver a positive customer experience and treating customers fairly. Our culture encourages and supports our employees to deliver high end solutions. We will meet our customers' needs by finding ways to deliver what matters to them, being clear and straightforward in our dealings and working together to meet their needs is our first priority.

WHY CHOOSE US?

Serving such goods all across India, we have gained a marvelous deal of recognition for the following points:

- Technological-driven goods
- Team of proficient experts
- Excellent vendor base
- Affordable pricing structure
- Technical Sales & Marketing Team

ALIAN E-WASTE POLICY

At ALIAN, we believe that it is our responsibility to ensure that we do business in such a manner that it enriches our environment and planet. That's why we make sure that we deliver innovative and eco-friendly products to our consumers. We are committed to product stewardship through the life cycle of our electronics, and ensure compliance with E-waste rules in India.

PRODUCTIONS CAPACITY

Our monthly production capacity under various categories are as follows:

Mobile Chargers: 350K +

Data Cables: 700K +

Audio Segments: 450K +

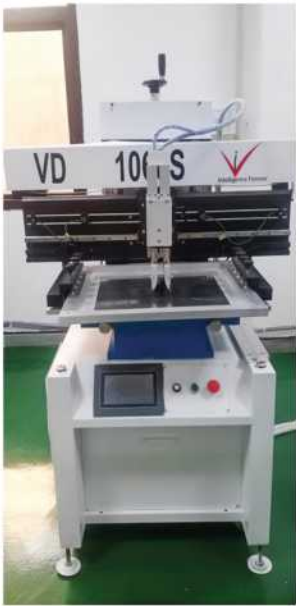

OEM/ODM

We have the experience, capacity, and R&D assets to make any OEM/OEM reconciliation a sparkling achievement! ALIAN is an amazingly adaptable turnkey maker with the capacity to bring your ideas and thoughts into suitable arrangements. We work with individuals as well as with the companies at all stages of design and manufacture, from ideas to life, in a profoundly engaged exertion to bring industry level items and administrations to clients.

When a client approaches us with an idea and nitty gritty determinations, we inform them about the absolute expense for plan, prototyping, and assessed cost per unit before the undertaking starts. ALIAN works with clients until they are fulfilled and all unique plan prerequisites are met, and the product performs precisely to clients' assumptions. From PCB Layout design to inserted coordinated frameworks and application prepared stages, ALIAN OEM/ODM administrations cover the full task life cycle.

With 11 years of business experience, now we have thousands of satisfied clients, customers and partners all over the world, with our various services and products that we provide. We are glad and ready to accept the new challenges and cope-up with the innovative technologies that are being introduced day by day.

NYLON BRAIDED CABLE

3A NYLON BRAIDED TYPE-C CABLE

Model: AT-11, **Input:** 5.0V-3A,

Output: 3A Max, 100% Copper Cable, 1.5 Meter Length

3A NYLON BRAIDED LIGHTNING CABLE

Model: AL-11, **Input:** 5.0V-3A,

Output: 3A Max, 100% Copper Cable, 1.5 Meter Length

3A NYLON BRAIDED MICRO USB CABLE

Model: AM-11,

Input: 5.0V-3A

Output: 3A Max,

100% Copper Cable, 1 Meter Length

MICRO DATA CABLE

2.4A MICRO USB DATA SYNC CABLE

Model: AM-09, Input: 5.0V-2.4A,
Output: Up to 2.4A
100% Copper Cable, 1.5 Meter Length

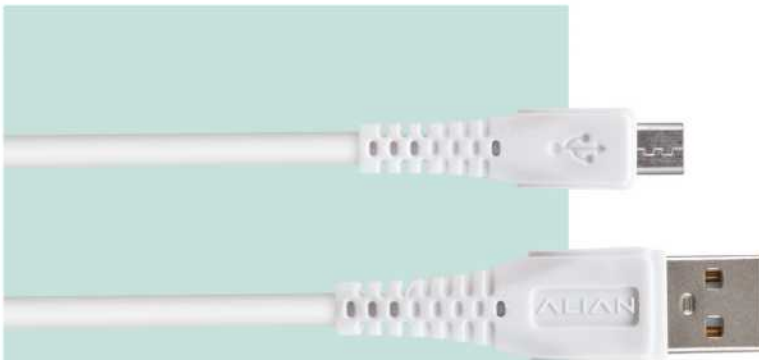

2.4A FAST CHARGING MICRO CABLE

Model: AM-07 & AM-08, Input: 5.0V 2.4A
Output: Up to 2.4A
100% Copper Cable, 1 & 1.5 Meter Length

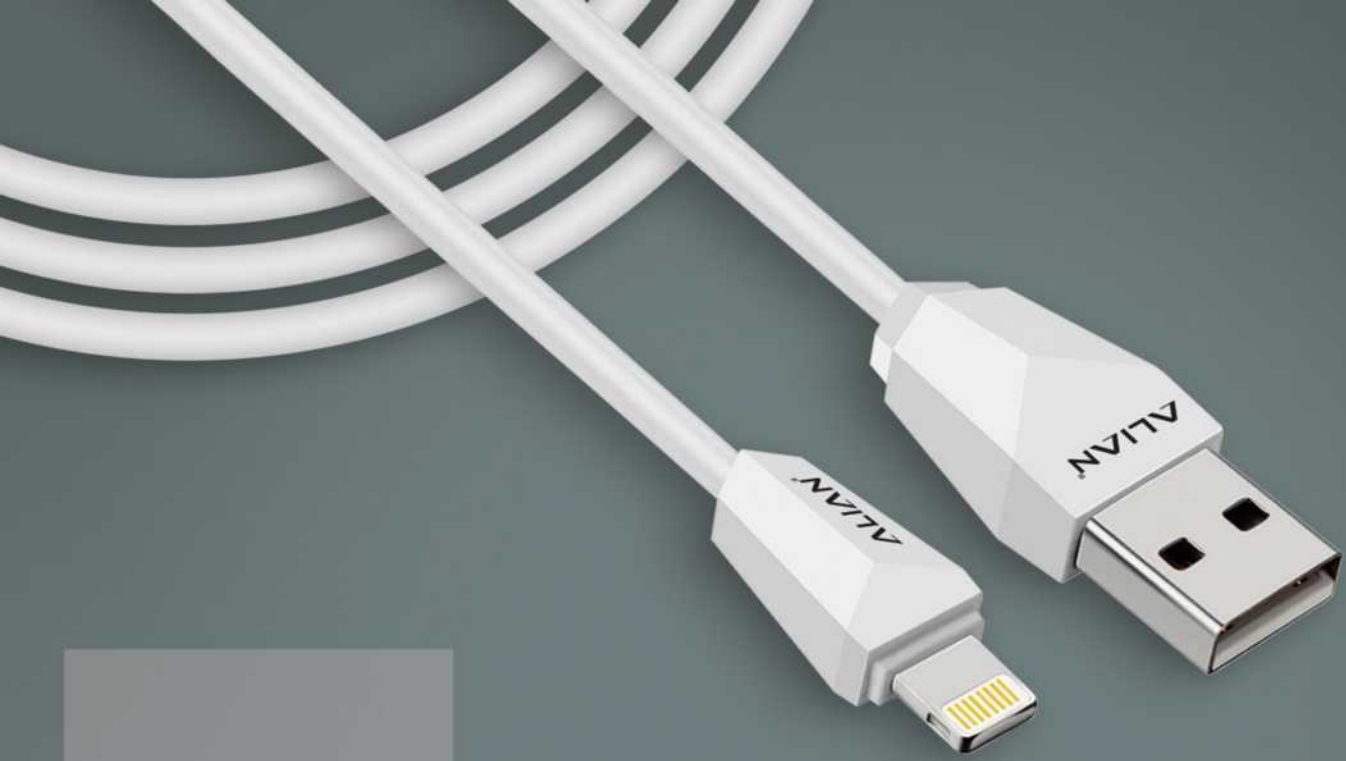

2.1A MICRO USB DIAMOND DATA CABLE

Model: AM-05, Input: 5.0V-2.1A,
Output: Up to 2.1A
100% Copper Cable, 1 & 1.5 Meter Length

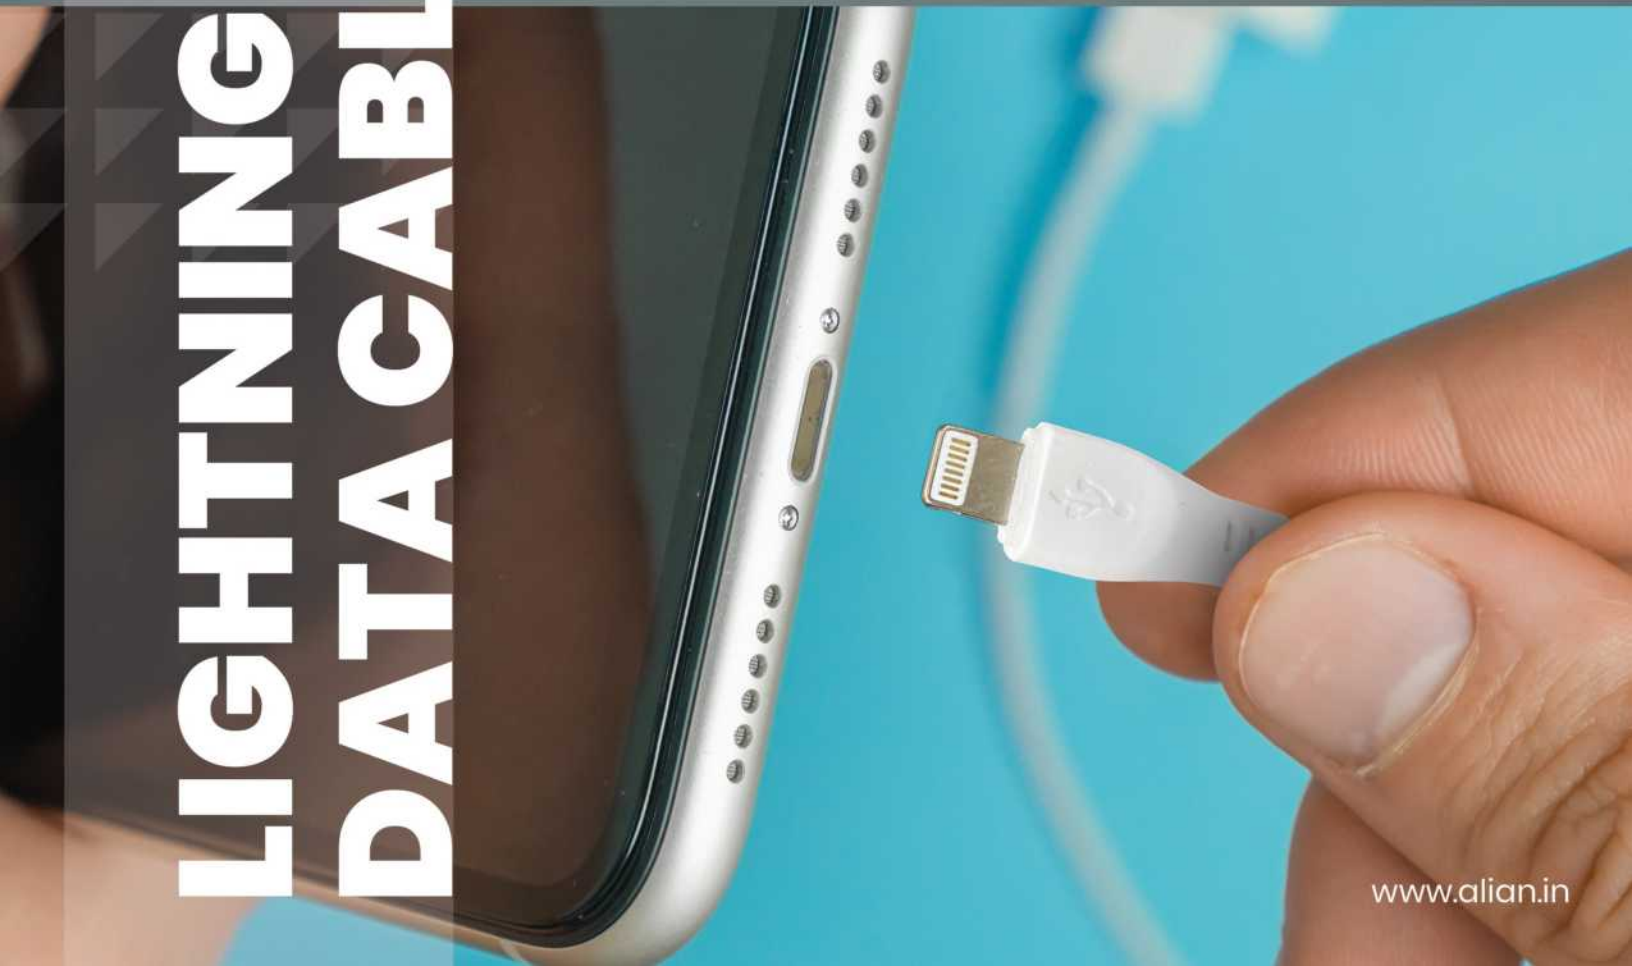

2.4A MICRO CABLE

Model: AM-12, Input: 5.0V-2.4A,
Output: Up to 2.4A
100% Copper Cable, 1 Meter Length

LIGHTNING DATA CABLE

2.1A LIGHTNING DIAMOND DATA CABLE

Model: AL-03,
Input: 5.0V-2.1A
Output: Up to 2.1A,
100% Copper Cable, 1 Meter Length

2.4A LIGHTNING CABLE

Model: Lime Green,
Input: 5.0V-2.4A
Output: Up to 2.4A,
100% Copper Cable, 1 Meter Length

TYPE-C DATA CABLE

2.1A TYPE-C DIAMOND DATA CABLE

Model: AT-06,
Input: 5.0V-2.1A
Output: Up to 2.1A,
100% Copper Cable, 1 Meter Length

2.4A TYPE-C CABLE

Model: Apricot Orange,
Input: 5.0V-2.4A
Output: Up to 2.4A,
100% Copper Cable, 1 Meter Length
